THIS MATTER comes before the Court on the plaintiff's Motion for a Temporary Restraining Order and a Preliminary Injunction against the defendants.

By his requests, the plaintiff is seeking an Order directing the defendants to mandate that prison staff conduct hourly visual security checks of the cell block in which the plaintiff is housed at the Lanesboro Correctional Institution, and that they create and implement a new plan for further segregating the most violent inmates from the other problem inmates who are housed within the high risk unit of the prison.

The plaintiff's Motion was filed along with his civil rights Complaint. However, inasmuch as the plaintiff's Complaint has

been dismissed, the instant Motion shall be dismissed as moot.

SO ORDERED.
